Student Name: Jacob A. Ajang

College of Education

Your Chairperson: Dr. Heeja Kim

Your committee: (1) Dr. Wenling Li

(2) Dr. Rhonda Parmley

Dissertation Title: **The Impacts of Quality Teaching and how it Increases
Student Learning at the Public Universities in South Sudan**

- 1. Describe the progress you have made toward the completion of your dissertation this session. Please be specific. Describe any events, circumstances, situations, etc. that have impacted your progress to date.**

Since this session started, I have been successfully progressing well. I have selected my dissertation chairperson and committee, passed comprehensive written and oral exams and submitted my "Academic Achievement Plan." I acknowledge Dr. Kim and Dr. Li for their grateful supervision and for making sure that every step of my dissertation was thoroughly achieved.

- 2. Describe the work that remains to be completed on your dissertation.**

I have yet to submit my dissertation prospectus, proposal draft and IRB form.

- 3. Please specify your planning goals for your dissertation progress for the next session.**

During the next session, I will be submitting a letter to introduce myself to the 5 public universities' Vice Chancellors in South Sudan stating the purpose of my coming to visit their universities. I will request a letter from my program director to prove to them that I am a student from Trident University International and interested in collecting data at their universities.
